FORTRESS MONROE, Dec. 17.  
The Steamship Constitution, Capt. Fletcher, left for Boston at midnight last night. It is supposed that she will then take on board three more regiments for some point on the Southern coast.

The Baltimore boat brought down this morning 190 men, the greater number belonging to the 11th N. Y. Regiment. They have been discharged from the hospitals, and will join their regiment at Fort Royal at the first opportunity. It was known in Richmond this morning that a commission had arrived in this country from the British Government to treat in regard to the Mason and Shiel's seizure.

FROM THE POTOMAC.

NEW YORK, Dec. 18.  
The Herald's Washington dispatch says, this afternoon the pickets of Gen. Breckinridge's division were driven in by the enemy. Gen. Breckinridge's gallant boys were soon on the march, and the retreatings were driven back in dismay, many of the enemy being killed.

Early this morning, Capt. Johnson of the 8th Penn. Regiment reserve came to ten McCall's headquarters, having been out on a scouting expedition all night with a Cavalry Company.

They went as far as Difficult Creek, nearly three miles inland in ambush for them, and when they advanced within shooting distance of their fire, plunged their spurs into their horses, and shortly disappeared. Our men returned the fire and pursued them a short distance and then wheeled about, deeming it prudent to return. None of our men were wounded, and as far as is known, the firing on our side was alike ineffectual.

Yesterday morning eight men, three from the 2d, and five from the 4th N. Y. regiments who were at picket duty at Eisen's Hill, went to a house between Bunker Station and Commodore's, while there, apparently in obedience to a signal by the occupants of a body of rebels cavalry suddenly came upon them and three who were in the house were taken prisoners. The other five escaped.

FOREIGN NEWS.

PORLTAND, Dec. 17.  
The steamship Jura arrived at Portland this morning from Liverpool the 5th and London the 6th. Warlike preparations continue in England, and a considerable number of troops are under orders for Canada.

The Daily News thinks if the American Government will treat the difficulty in the same spirit as Gen. Scott war may be avoided. Seamen on leave are ordered to join their ships.

It is reported that Mr. Adams regards his recall as inevitable. The American shipping interest was already disastrously affected.

Testimonials.

Testimony of Judge Kirtland, of Vermont.

CHAR. F. GARDNER, Esq.—

Dear Sirs—I beg to leave to add my testimony in favor of GARDNER'S RHEUMATIC and NEURALGIC COMPOUND.

After suffering with Rheumatism—more or less twenty years, and in fact with a very severe attack, I took one bottle of your Compound, which afforded me relief.

I think it the best and most efficacious medicine for that disease I ever used.

W. M. KIRKBRIDGE, Fair Haven, Vt. Dec. 1860.

GARDNER'S Rheumatic and Neuralgic Compound is the best medicine for the disease I ever saw.

CHAS. A. SMITH,

No. 1 Old State House, Boston.

After suffering with Rheumatism twenty years and being confined to my bed several weeks last spring, I was entirely cured by the use of one bottle of "Gardner's Rheumatic and Neuralgic Compound."—NORMAN T. AYERS, 75 Franklin street, Boston.

Having been a constant sufferer from Neuralgia for eighteen months, and—had been driven by exertion, pain, and trial of every remedy where obtainable to resort to your Compound. I have induced to try Gardner's Rheumatic and Neuralgic Compound.—I have taken but one bottle and am entirely well.—D. L. BAXTER, Dry Goods Dealer, No. 5 Appleton Block, Lowell, Mass.

I have been afflicted with Salt Rheum in its worst form for a long time, and—suffered more than can be imagined except by those similarly afflicted. I tried on board a steamer to make myself comfortable, and—before I left myself entirely cured.—JOHN MORROW, Peabody St., Boston, Mass.

My son is ten years of age, has been three years a great sufferer from Salt Rheum, has hands covered with sores and constant pain; one bottle of your compound cured him—J. W. HAMMOND, 95 Park Street, Boston.

GARDNER'S Rheumatic and Neuralgic Compound has entirely cured me of Neuralgia.—W. H. THOMSON, Proctor's 10 Market St., Boston.

I now have a bottle of your Compound, and I cured me of a severe attack of Neuralgia.—FANNIE S. THOMPSON, Pearl St., Boston, Mass.

Truly to my friend Wm. T. Gilford, Esq., presented me with a bottle of "Gardner's Rheumatic Compound" for the cure of Rheumatism, and found in it a constant relief.

RHEUMATISM. Itself or in this troublesome disease is very marked. It's necessary to persist in its use for a considerable length of time.

FEAR OF DEBILITY. To sustain and augment the vital powers to make now rich and pure blood; to build up the nervous system; to restore energy to the mind and body—nothing can be better adapted than this Remedy.

In Boston, General Debility, Emaciation, Coughs, it is a real remedy. Nine-tenths of the cases where it is supposed to fail, simply arise from the remedy being abandoned before its beneficial effect becomes obvious.
